根据 WE 的作文的问答，大致可以将大作文的题目分为两个类别：单边论证类（一边倒类型+给观点直接论证）和双边论证类（正反观点+中立观点）；有关于问法中有些题目有背景介绍后再进行提问，有些题目直接开门见山地给出问题，所以由此在首段的描述上有些区别（在题干信息比较多的时候抄写题干，在题干信息中没有背景介绍时用固定句式，具体可参照以下的例子）：

Eg 1. Nowadays, people believe that the environment influences their accomplishments. Some people think their success and accomplishment were influenced by the places where they grew up. Do you think the environment does or does not affect people's accomplishment and how it affects?

作答示例：Nowadays, people believe that the environment influences their accomplishments. Some people think their success and accomplishment were influenced by the places where they grew up. This matter is extremely important to both individuals and society. From my perspective, the environment affects people's accomplishment in two aspects. (标蓝的首两句为抄首句中的陈述句，最后的标蓝的句子是根据题目问法进行的回答)

Eg 2. Whether travel is a necessary component in quality education? 旅行是否是素质教育的必要组成部分?

In recent years, the issue of quality education has sparked widespread debate. This matter is extremely important to both individuals and society. From my perspective, travel is a necessary component in quality education.(本题为直接问答，无背景性描述，所以用框架句进行填充，最后的标蓝的句子是根据题目问法进行的回答)

Therefore, these examples / reasons (二选一) collectively underscore the importance of recognizing that 【论点 1 的相关词(名词)】 is indeed the case.

首先，最重要的是，【写出你的第一个论点】。这对【相关人群】来说非常重要，因为【第一个原因】。例如，【举一个与论点相关的例子】。有趣的是，一年前联合国进行的一项最新研究恰好印证了我上面提到的观点。此外，我们还必须考虑另一个原因，那就是【第二个原因】。因此，这些例子 / 原因共同强调了认识到【论点 1 相关词】确实存在的重要性。

第三段

第二段

First and foremost, 【论点句 1(句子)】. It is quite important for 【利益相关人 1(名词)】 because 【支持论点句 1 原因 1(句子)】. For example, 【编一个论点句 1 的相关例子(句子)】. 第三段

On the other hand, critics point out that 【对立观点-论点句 2(句子)】. This factor is particularly significant because 【支持论点句 2 原因(句子)】. A relevant example is that 【编一个论点句 2 的相关例子(句子)】. Through this example, one can better appreciate the value of 【论点 2 相关词】. So, 【论点 2 换一种表述(句子)】.
